We will teach God's Big Story to reveal who God is and how God loves us.

JESUS

- Weekly curriculum rooted in the character of God and story of Scripture
- Weekly creative prayer and worship time
- Discuss how our weekly lessons fit into the metanarrative of Scripture
- Specific curriculum to discuss our mission partners during Missions Impact
- Wednesday night lessons that focus on interactive faith formation

TOGETHER

We will create inclusive spaces where kids are seen, known, and loved within the faith community.

- Consistent children's ministry greeters that know our kids by name
- Quarterly Together Sundays that provide opportunities for children to participate in worship
- Intergenerational relationships through a diverse group of volunteers
- Worship Engagement Stations
- Alternative seating in worship services to allow space for all to participate (rocking chairs, family nursery, and sensory room)
